In the Thompson case word had been received, that aid from the City was suggested by the Principal of the Ingassij School on account of the boy being obliged to attend school who could otherwise earn $3. per wk.

The McClay case was a hard one to know what to do about. There was no good report of the oldest boy, the father was doing nothing and they seemed much worse off than before the man had property left to him which was said to have been several thousand dollars, but the man though intelligent did nothing but drink and spend his time in idleness. The case was in the hands of Mrs. Trench and Dr. Perry. Mrs. Trench thought the woman was doing the best she could.

We know but little at present about the family recently immigrated out.

It had been asked whether we could contribute clothing from our Room to Dakota.

During the month the Case Committee has made an arrangement with Mr. Seely &

which he agreed to refer to us for investigation all new applicants to the Overseers of the Poor before aiding them. He hope in this way to keep some persons from the demoralization of receiving public relief. The plan is said to be working successfully between the Overseers and the Conference of the Associated Charities of Ward VIII.

The Sivardi case was brought up, whether Mrs. Sivardi could live with a niece or whether she could go to some home; Miss Burnap's home was mentioned but there is no vacancy there.

In the case of the child of Mrs. Powers who had been boarded at $6. per month and having been ill and having trouble with the eyes was at some hospital, it was suggested whether the child could not be placed in some other Catholic home as there was some dissatisfaction expressed. Mr. Keefe who was consulted in regard to the case did not suggest any other and they would not take the child back. The mother will pay board but does not want to give up the child; St. Mary's Infant Asylum, Dorchester, was suggested and Dr. Perry said he would find out about this home and telephone to Miss Parker.

The Powers child not being well had been placed in some home privately, not being a case for the home at Dorchester, mentioned at the

last meeting.

No answer had yet been received to a letter sent to Scotland in regard to the McKay case, which remained the same as last month.

The death of Mrs. Bradley having occurred during the last month, on motion of Dr. Faulkner, Miss Morse, Chairman of the Case Committee, was requested to draw up a few lines to be signed by the President and Secretary together with the Chairman of the Executive Committee and Chairman of the Case Committee, to be sent to the family, expressing the sympathy of the Committee with whom she had been connected for fifteen years in its work and had done so much for the welfare of the Society both in work and influence. Dr. Faulkner said she had been a remarkable woman in her life previous to her connection with this Society, and her hold on the rough women and her faithful and valuable services would be long remembered.

There being no further business, the Meeting adjourned.

According to the vote of the last meeting, a copy of the following letter had been sent to Rev. Mr. Bradlee and family.

In the name of all the officers of the Jamaica Plain Friendly Society we wish to express to you and your daughters our sincere sympathy in the great loss that has come to you. Mrs. Bradlee's fifteen years of useful, beneficent work in our Society can never be forgotten by us. She brought to the work not only experience and wise judgment but the kindness

and ready sympathy which were always felt by all who worked at her side as well as those who needed help and advice. We are sure that many women are today better wives and mothers because of the influence of this devoted woman. And now that she is no longer with us it is not only fitting & pleasant to say one tribute to her useful and beautiful life, the memory of which will long remain with us as a help and inspiration in our work.

Your sincere friends.

A letter had been received from Rev. Mr. Bradley, saying that the letter of sympathy for the family and appreciation of the character and influence of their dear departed one was duly and most gratefully received and that it was a great comfort to them, especially so, coming as it did from those who had seen so much of her through a long series of years and knew her spirit and ability so well.

There was quite a discussion in regard to day nursery for Jamaica Plain. Mrs. Field and Mrs. Howe feeling that one was needed here. Mrs. Field gave some statistics in regard to expense in other places, some beginning at 10 cts., Lincoln House charges 5 cts., and none are free. Executive Committee Meeting,
Oct. 19, 1892.

The meeting was called to order by the president Rev. C. F. Dole.

The records were read, and at the suggestion of the president having been made a little more definite, were approved.

On motion of Dr. Faulkner seconded by Mrs. Field, it was voted, that the Care Committee

consisting of the following persons, be elected, viz: Miss Ellen C. Howe, Chairman; Miss Mary Walker, Secretary; Mrs. Cynthia D. Hench, Mrs. C. J. Robbins, Miss Eleanor S. Parker.

On motion of Mr. Sanborn, Mr. Charles P. Bancroft was elected Auditor.

The Visitors had been arranged by Mrs. Howe, Mrs. Field and Mrs. Frost, of the Executive Committee, for the Case Committee which was short-in number, only two having returned at the first meeting.

The list of visitors would be the same this year as last, with the exception of Miss Blaikie's name in place of Mrs. Lee, who had resigned.

At the suggestion of the President, the Case Committee were authorized to have 600 Sunbeam Copies of the card, "What to do with beggars," printed, and to mail one with each Annual Report.

The Case Committee were also authorized to have three hundred postal cards printed, for notices of Executive Committee and Visitors' meetings.

The subject of a day nursery came up again and Mrs. Field suggested that it might be well to begin in a small way, to get some woman to take charge of a few in the basement, and some one else in

another. That Mrs. Siegel she thought would be good one for one locality, the Irving & Boyd &c.

Mr. Gunkler said he believed in beginning in a small way, that many questions would come up & what would be done.

Miss Wheeler said that every winter we had some cases where children were left, and we felt the need of such a home, and that Mrs. James Lee hoped Mrs. Gunkler would be considered, if anything was done, as being a good person for such charge.

Mrs. Reed said that she understood the word to imply an offense, and after arrangements were made, on account of some objections urged standing, there were only six cases sent to the society, but afterwards plans were changed and now they have a large number. Many questions would have to be considered, and it was thought that somebody from our society should visit each day, the place or places where children were.

It was mentioned that the Parochial School at Faribault, Minn., consisting of 300 three hundred children, had been placed under the control of Bishop Ireland and it was thought to be a better one as good as any.

24 south. The Public Schools, and that it was not right to deprive them of its advantages. The teachers had been retained. In another town, the parochial school of two hundred children had also been discontinued & the public school, but with the success of retaining its teachers. These were important facts, though not bearing directly upon the work of this Society.

There being no further business, the meeting adjourned.

The Case Committee reported 36 names — 15 new and 21 old. Of these 6 new and 6 old families are in the committee's care. 3 visitors have been appointed. 6 families have been given into the care of Churches or other societies as follows:— 1 each to the Methodist Church, the Episcopal Church, the Scots' Charitable Society and the Hebrew Benevolent Association and 2 to Associated Charities Ward XIX.

15 remaining names of the 36 are classified in different ways not necessary to mention.

The Case Committee have discussed a proposition to establish in Jamaica Plain a bath house where the poor can obtain hot & cold baths for a small payment.

A Boys' Club is under consideration and the committee think it is a more pressing need

here than a Day Nursery.

The evening School is closed for the present and it is thought that there is great need of a boys' Club.

Miss Howe had received a letter from New Bedford in regard to a very successful boys' Club there. Boys are admitted at ten years of age. The police advised admitting them at that age as they are on the streets and there is much harm for boys between seven and twelve years of age being on the streets evenings. It is considered very essential to have a good relation and police come in although they have not had to be called on. There are about one hundred and fifty boys belong, average attendance seventy five, the rental is paid $1.50 per evening.

The younger boys pay 25 cts. for the season, 10 cts. of this is paid in October and 15 cts. in February; boys are admitted by tickets, the ticket given in October being blue and in February, red. The older boys pay 25 cts. admission to the Club and 15 cts. each month after being admitted. The boys here are mostly mill boys. They have games of different sorts and some basket drills, but there is

no gymnasium.

Several other boys' clubs were mentioned, one at Philadelphia, another at Lynn, and Rev. Mr. Shearman said he could find out more particulars about the one at Lynn.

Mr. Clark said the boys' club at Boylston Station is a very successful one with little expense and it is so full that they are obliged to turn boys away.

Mrs. Field, Miss House and Rev. Mr. Dole were appointed a committee to make further inquiries.

Miss Faulkner said it was thought by the Case committee that it would be well to have printed heading for paper for the Society's use, and the Case committee were authorized to have some paper printed.

There being no further business, the meeting adjourned.

The case committee reported 28 names, 3 of these new, 25 old. Of the new names, 1 in Committee case, 1 referred to A.C. from XVII. 1 requested to visit by A.C. from VI but there was nothing for me to do.

The old names require no special mention.

Mr. Cummings asked how many cases our Society now had. Our records in December showed more cases for November this year than year ago; of course there are a good many applicants at the Room that are not recorded on our visitors' reports, in addition to this number. It had been noticeable during the year that there were so many cases of the man deserting his family, leaving them destitute, to be looked after by somebody, and in some of these cases it had been very hard to know what to do and it had given a great deal of work to the visitors having the charge of these families.

The subject of a boys' club was again brought up, and Miss Morse was the only mem-

present of the committee appointed at the last meeting to make further inquiries.

It was thought that the neighborhood of Green St. Station was the best locality and that possibly the room where the girls' club meets might be obtained for two evenings in the week. It was hardly thought that much could be done this Winter, although the club might be organized so as to be in readiness to start in the Fall.

It was wished that we might have more Roman Catholics for visitors of our Society, and several names were mentioned for visitors.

Dr. Faulkner said, we must remember in speaking of the Irish, that many whom we call foreigners are Americans, having been born in this country and brought up amongst us.

There being no further business, the meeting adjourned.

The Case Committee reported 37 names, 6 of these new, 31 old. Of the new named, 2 are in Committee's care, 2 visitors appointed, 1 required but 1 visit.

In regard to the boys' club, the more the subject is looked into, the more time seems needed for consideration. At North Bennett St. there are one hundred boys of all nationalities from 8 yrs. old, up; this club is for pure recreation, no instruction except reading; up stairs there is debating for older boys, not connected with the large club; at the large club there is no paid person in charge, the rules are hung up and are simple, if any boy loses his ticket he has a fine of 2 cts.

Miss Eldridge's Club at Providence Street has no paid superintendant, but a woman lives in the house and there are rooms for boys to remain over night, if paid for, but for none under 10 yrs. of age; some of the boys as they grow older are helpers; there is a library, a gymnasium, and

They have games, also debating for those 17 & 18 yrs. old; the Club meets once a week, all nationalities.

Mention was made of home libraries for a dozen or so and books are exchanged, some one takes charge and looks after things, through the Children's aid Society.

It was suggested by Miss Morse that the Committee for Boys' Club be enlarged, and Mrs. Wood, Miss Faulkner and Miss Emily Balch were suggested for members of this Committee.

The Club under the Care of Mr. Arthur Pingree, now in charge of Rev. Mr. Mendell, meets in the vestry of the Congregational Church at Boylston Station and has 100 members and many are waiting for admission as some lose their chance by absence.

It was proposed to have a meeting at our Room and to get Mr. Birtwell and others to speak upon the subject.

The subject of finishing Savings was brought up but it was thought that we could not do very much in this line as our cases had not much to save.

There being no further business the meeting adjourned.

Of the old names 2 families have moved to Roxbury, 2 visitors appointed.

The Patten case was brought up, the woman had just returned from the Island and her husband had died during her absence, the younger boy was at the Marcella St. Home and the older boy at home with his mother; the woman asked for clothing. The case was left to Miss Morse to confer with Dr. Gerry, Dr. Brodesick and Father Magennis as to what was best to be done.

As we had a collection of garments made during the winter, it was thought it would be well to

advertise Clothing for sale at our Room.

The subscriptions for this year had not been as much as last year, and as the names of our old subscribers drop off from the list, it seems important that some method should be taken to have our Society better known to the new comers than it is at present.

Case Committee Report

1 application for work, beginning no visit, 4 mention only and 2 in visitors' care.

A number of applications for women to work in different capacities have been received but the Committee have been unable to fill them.

During this month Joseph Carney returned from the Island, has been arrested, tried and re-sentenced, this time for three months. He is an impressive object lesson in the evil of these repeated short sentences.

On motion of Dr. Faulkner seconded by Mr. Clark, it was voted, that $100. (one hundred dollars) be sent to the Associated Charities, solely for registration.

Two years ago we had more Protestant cases than Roman Catholics. Some of our worst cases this winter have been Protestants. The St. Vincent had been found ready to aid, but they do not do much investigation.

Dr. Perry spoke of harm done to a family this winter by spasmodic and indiscriminate aid rendered through intentional kindness after the man had an accident which incapacitated him for work for a time.

The subject of soliciting came up and there was quite a discussion as to what was the best method to be tried in the autumn. The last few years we have encroached upon our balance, which it seems very desirable that we should keep in case of some epidemic or other emergency.

1891 & 1892

There are many people living in this vicinity who know very little about our Society. We thought all the money that was needed could be raised if people only understood about it. It was thought it would be well if some account of the Society was given in each of the Classes and if Mr. Kendall would write in doing this, many in that locality would be reached. It was also suggested that some notice in the Great Barrington News would reach a good many.

Mr. Clark thought it would be a good plan if the canvassing could all be done by one person, but it would be a very hard thing to get a suitable person, if paid, and there is a strong feeling against a paid solicitor. It was suggested that the Chair appoint a committee to consider the subject. Mr. Dole moved that the old Committee be reappointed, and on motion of Mr. Gardner, Mrs. Field, Mrs. Wood and Mr. Morse were appointed to consider and report at the October meeting, the best means of raising $1500. (fifteen hundred dollars) for the coming year, and on motion of Mrs. Ford, the President and Secretary were added to this Committee.

There being no further business, the meeting adjourned.

Case Com. report

The treasurer, Mr. Clark, reported the receipt of $1 (fine) carriage riders for ride, for invalids, from the Boston Young Men's Christian Union, 40 Boylston St., for which he had returned thanks on behalf of our Society.

On motion of Mrs. Hood seconded by Dr. Faulkner, it was voted, that the Case Committee prepare the Annual report.

On motion of Mrs. Hood seconded by Dr. Faulkner, it was voted, that the room be open the first Monday in June to talk over cases, and that the Secy. notify visitors as last year.

On motion of Dr. Faulkner seconded by

Mrs. Wood, it was voted, that the Sec'y send an item to the West Roxbury News as usual, that the Room of the Jamaica Plain Friendly Society being closed until October, application may be made at the store of Mr. E. B. Clark, White's block, Centre St. Jamaica Plain.

This notice has been kindly inserted free each year.

On motion of Mrs. Wood seconded by Dr. Sanborn, Miss Louise T. Blaikie was elected Agent.

The committee appointed to consider the best means of raising $1500. (fifteen hundred dollars) in the Autumn, reported that they had held one meeting and considered that it would be advisable for all visitors to be solicitors, as they being familiar with work of the Society could explain the same better than solicitors who were not visitors, also that it was well to have solicitors who were known where they solicited as far as that was possible, and that previous to soliciting some notice should be given in the Churches so that the people would understand better about the needs and work of the Society.

It was the unanimous wish of this Committee that Dr. Faulkner should be added to the Committee to still further consider the subject.

There being no further business, the meeting adjourned.

Auditors Report.

"I hereby certify that I have examined the accts. of Ellen Cook, Treasurer of the Jamaica Plain Friendly Society. for Oct.r 5th 1892 to Oct.r 10th 1892 and that the same are correctly cast and the payments thereon are properly vouched and that the Treasurer changes himself as of the latter date with a balance of one hundred and forty six dollars and fifteen cents. ($146\frac{15}{100}$)

Chas. P. Rowditch
Auditor

Boston Oct.r 15th 1892

Secretary: Miss Caroline E. Chickering.
Treasurer: Mr. E. F. Clark.
Assistant Treasurer: Miss Mary Faulkner.
Executive Committee: Dr. George Faulkner, Chairman;
Mrs. R. B. Hood, Mrs. H. D. Morse, Mrs. D. D. Field,
Rev. Charles F. Dole, Dr. J. C. Stedman.

A noticeable point in the financial report for the year was that the receipts were less and the expenses more than the previous year, that we are reducing our balance each year, that of last year being $257 (two hundred and fifty seven dollars) while this year it is only $146. (one hundred and forty six dollars.)

The money is raised by solicitors and a little is obtained by sale of articles made in the work department. $1500. (fifteen hundred dollars) is wanted for the ensuing year. Dr. Faulkner said the community had changed in the last twenty years, many of the old subscribers had passed away and the new people were not generally familiar with the Society and its work.

Mr. Cummings thought it would be a good plan to have the names of subscribers printed at the end of the Annual report.

Miss Morse said the point was to meet new

comers, that reports were sent to each subscriber and solicitors were also given some to leave at houses not supplied.

Mrs. Field said the subject had been discussed previously as to what more could be done to make the community be interested and more interested in regard to the Society and its work.

Mr. Cummings thought the notice given at church inviting all persons interested to be present at the Annual meeting was not definite enough, and on motion of Dr. Faulkner, it was voted, that another year the church notice of the Annual meeting should read, all subscribers and persons interested are invited to be present.

There being no further business, the meeting adjourned

Executive Committee Meeting,
Oct. 17, 1892.

The Meeting was called to order by the President Rev. E. H. Chapman.

The records were read and approved.

It had been suggested having a slip printed in regard to the Society, to be distributed with the annual report, and Mr. Clark said some people would read a slip when they would not read a report.

Mr. Cummings thought it would be well to send postals to all members or subscribers, notifying them of the Annual Meeting, and Mr. Chairman thought it a good idea.

On motion of Mr. Cummings, it was voted, that a list of the subscribers ~~of~~ last year be printed at the end of the Annual ~~report~~ this year. In regard to every subscriber being a member, the Constitution says, any one becomes a member by paying $1.00 (one dollar) annually. The Constitution can be amended by a two thirds vote for any change, at the Annual Meeting or at a meeting called for the purpose.

In arranging the list of names of the subscribers of last year, Miss Hankner and Miss Parker kindly agreed to arrange the list alphabetically if the solicitors' books were sent to them; and on motion of Mr. Cummings seconded by Mrs. Wood, the arrangement of the list of subscribers for the year 1891-92 was left to Miss Hankner and Miss Parker.

1892 & 1893

On motion of Dr. Faulkner, Mr. Charles P. Bowditch was reelected Auditor.

On motion of Dr. Faulkner seconded by Mrs. Clark the Case Committee was reelected, consisting of the following persons; Miss Ellen C. Mosse, Chairman; Miss Mary Faulkner, Secretary; Mrs. Austin B. Fiske, Mrs. G. J. Hopkins, Miss Eleanor L. Parker.

The distribution of the Annual report was left to the Case Committee as last year, and it was voted to have 800 (eight hundred) copies of the card "What to do with beggars" printed, to be distributed with the Annual report.

It was voted to have 300 (three hundred) postals for notice of meetings printed for the use.

Mrs. Wood suggested that each solicitor have a list of names of the people in the district written down and leave the name blank where nothing is given to the solicitor.

There being no further business, the meeting adjourned.

Special Meeting,
called by order of the President Treasurer and Chairman of the Executive Committee, Oct. 31, 1892.

The Meeting was called to order by the president, Rev. S. H. Thearman.

The records of the annual Meeting and of the last Executive Committee Meeting were read and approved.

Dr. Hamlkner said it was customary for a meeting to be called in trouble, for the third time the treasury is empty, This is nothing new for other Societies nor is it new for us.

This Society started 18 (eighteen) years ago with the rule that bills were to be paid monthly and the Constitution do reads. 5 (five) years ago a Case Committee was appointed and much has been left to them, but visitors have run on since then with chronic cases, bills instead of being sent monthly had in one case been sent for 9 (nine) months, and in another for twice that length of time, a bill for $70. (seventy dollars) having been sent from one shop for a year and a half, and now since the last meeting a bill of $50. (fifty dollars) has been sent and we don't know what others there may be;

all bills pass through the hands of the Chairman of the Exec. Com. to be approved. The Case Committee started with good rules about giving and we do not know that any one has violated them, but $1. (one dollar) per week or $52. (fifty two dollars) per year for chronic cases eat up the funds and the Case Committee have lost their grip and know nothing about the visitors who continue with the old cases. The president read the present rules for visitors and the proposed changes to be made in said rules, and after considerable discussion by Rev. Mr. Bradley, Mrs. Frood, Mrs. Morse and Mrs. Held together with the treasurer and members of the Case Committee, on motion of Rev. Mr. Bradley, the following rules were adopted and it was voted that the Secy. send to each visitor a copy of the rules adopted. Miss Faulkner and Miss Parker of the Case Committee kindly agreed to send for the Secy, to the visitors, copies of the rules adopted.

Rules adopted for visitors.

1—That the rule No. 4 (of "Rules for visitors") which allows a visitor to give aid of the value of one dollar a week, at his or her discretion, be, and

hereby is, annulled; and that no visitor shall give any aid from the Society until after conference with the Case Committee.

2- All visitors shall work month by month, and at the end of each month shall make a full report to the Society of their work for the month.

3- Whenever a visitor, having a case in charge, shall fail to confer with the Case Committee for more than one month, such failure shall be a sufficient reason for the appointment of another visitor to that place.

4- All visitors now working for the Friendly Society shall cease giving aid in all cases on Nov. 7, 1892, and shall not resume giving aid until after conference with the Case Committee.

There being no further business, the meeting adjourned.

Second hand clothing rec'd. from Mrs. Foster and Miss Faulkner.

The Case Committee reported 25 names - 3 new names - not one of which required our care.

300 order blanks have been printed at a cost of $1.50.

A blank requesting information in regard to Society has been received from a Committee of the Columbian Exposition, and answered. We were requested to send a bound volume of our reports, also a specimen of blanks &c. and in case, sent this Committee did nothing about it, feeling that no extra expense is justifiable in the present state of the Society's finances.

Mr. Cummings asked some questions in regard to the new rules for visitors, adopted at the Special Meeting for that purpose, at which he was not present. Miss Morse thought it would be well for each visitor to say what Stores orders were given at so that notice could be sent for bills, and Dr. Faulkner said the Society had excellent visitors, it had been hard to get reports in some cases, that it is not always the best visitor who makes the most finished report,

but if had been necessary to shut down as the treasury was empty.

The Solicitors had all been appointed but two.

Mr. Cummings asked what amount is wanted for this year and Mr. Clark said that last year $929.50 (nine hundred twenty nine dollars and fifty cents) was raised from subscriptions and $1500.00 (fifteen hundred dollars) is wanted for this year. Mr. Cummings said the question might be asked, what or how much was to be given, and Dr. Faulkner said Mrs. Wood suggested that Solicitors only see the women and $1.00 (one dollar) ends the matter, and that sometimes it is better if an effort is made to see the men. Mrs. Weld said her daughter was successful as she went when the men were at home. Mrs. Hopkins suggested that if some gentlemen would solicit perhaps more might be got and Mrs. Wood said there were 2 (two) districts to be supplied, and it was wished that they might be supplied by men.

The subject of day nursery was brought up and Mrs. Weld said that last year Mrs. Siegel would take charge of six babies, but this

had not heard of anybody who wanted a child taken care of.

There being no further business the meeting adjourned.

Miss Blaisdell's report -

Case com. report -

We have the names of a number of women who wish to go out to do washing or cleaning, and are in much need of the work. A statement of this fact was sent to the Fresh Pond News and appeared in the number for Dec. 5th. It is hoped that some work may be obtained in this way.

Several of the Solicitors' books had been handed in, and Mrs. Wood spoke of one of the districts which was too much for one solicitor and by getting two or three persons to assist and thus dividing the work and having the streets more carefully canvassed, one half as much more money was obtained in one of the streets than last year, which showed the importance of having solicitors who are known in the districts where they collect and also those who are interested in the work and willing to sacrifice themselves for it. Several persons were surprised that their names were not on last year's list of subscribers and some said they were not asked to give, which showed that money enough could be obtained if people understood about it. Mrs. Weld said it indicated that it was a good time to have

1892 & 1893

The names of subscribers printed in the Annual Report of the Society.

Miss Howe asked what was to be done about filling orders for clothing when sent by visitors without conferring with Case Committee, according to the new rules adopted.

Dr. Faulkner said milk had been delivered when ordered not to do so and that he should not approve the bill if this was repeated this month. An order had been sent to the Room for boots which were probably needed but no word had been sent to the Case Committee about the need, and messenger was not authorized to deliver them under such circumstances, but thought the visitor would be present at the meeting and it would be better to wait until the next day.

It was thought that some of the visitors did not understand the new rules adopted and as they were not present at the meeting today, it was decided to explain the matter to them, as it is important to have our rules enforced or there is no use in having them.

The Gas Co. has given us no coke this year.
The question has been raised if it is better to
buy coke for a poor family instead of coal.
Of the five new cases this month four are
Americans and protestants.
At the office of the Gas Co. when Miss Faulkner
asked if coke would be given our Society this
winter, as usual, she was told that they had
demand for all they had, that they had very
little now and would not give away any, that
they did not give us any last winter, which
was a mistake as our Society has on record of
visitors the gift of coke from the G. Co. a number

of Times during the last year. There has been a good deal of Coal given by our Society during the last few weeks, and it was thought advisable to see the Gas Co. to ascertain whether it would give our Society coke this year as usual, and it was left to Rev. Wm. Shearman to ask Wm. Pratt about it.

Articles not on our list are given by visitors in orders and it is supposed that visitors do not understand about the list of articles to be given and it was thought the Case Committee better communicate with visitors in regard to the matter.

The Case Committee reported 33 names, of these, 7 are new and 26 old.

Case Com. report

Of the new names, 2 are in Committee's care, 1 referred to Methodist Church, 1 to Congregational Church,

1 dropped after one visit and 2 required no visiting. Of the last two nothing is known, of the other five four are Protestants, one is Roman Catholic.

Of the old names, 11 are in Committee's care, 13 in visitor's care and 2 mention only.

On motion of Mrs. Wood seconded by Mrs Field, it was voted, that $100. (one hundred dollars) be sent to the Associated Charities, solely for registration

Of the 35 cases mentioned in the Case Committee report for this month, 15 are Protestants, 14 Roman Catholics, 1 Jewish and 5 unknown.

Mrs. Field wished something could be done to let the general Community know more about our Society and that more interest might be aroused to attend the Annual Meeting. A change of time for the Annual Meeting was suggested so as to give the books to solicitors earlier in the season, and it was also suggested that the Annual Report be printed in September, and Mrs. Hopkins suggested that an Exc. Com. Meeting be held the last Monday in May to hear the reading of the Annual Report, pre-

pared for printing.

Rev. Mr. Sheatman said considerable in his Church in regard to the Friendly Society last Fall, when the different districts were requested to do so. Rev. Mr. Dole said in regard to the success of having interesting remarks made at the Annual Meeting & expecting that persons would hand their subscriptions to the Society at that time, that when people were ready to do that, thought we should not have much need for our Society.

In regard to the collections for the year, Dr. Fanthner said if there could be 6 districts and somebody look after each one to see that the ground was well canvassed by different solicitors as was done to some extent this last year, he thought it would be a good plan.

The Mc Carte case was brought up, the woman had not been in court since the man died but had been before, the Pr. said. The children were fairly well clothed the woman was rough and the home very dirty. The St. Vincent de Paul Society had to be

It was thought it would be well to see Mr. Fay of the Soc. P.C. to Children, also Mr. Keefe, to see if anything could be done, but it was decided best not to do so at present. The woman asked for work, but could only do rough scrubbing.

Annual Meeting

Oct. 16, 1894.

The meeting was called to order by the president, Rev. E. H. Sherman. In the absence of the secretary, at Chicago on motion of Mr. Clark, Miss Faulkner was elected secretary, pro tem.

The annual report was read by the president. This, and the treasurer's report, had been received, and now were read in print.

Mr. Bradley proposed an amendment to the statement in regard to the loss made in the annual report, which caused some discussion, but it was too late to make any change.

The auditor's report was read by the president.

Mr. Cummings asked the amount subscribed the last two years. In 1891 it was $929.50, in 1892, $1212.50

The Constitution provides for the reading of the treasurer's report at this meeting. It was read by the president.

Mr. Clark mentioned the smaller sum spent this year in direct aid. Mr. Cummings asked the reason for this, to which Dr. Faulkner replied that it is explained by

different methods and closer supervision, and Miss Morse spoke of several persons needing constant aid, who have been transferred from the care of our Society to that of Churches, thus leaving our money to be used for temporary relief.

Mr. Cummings asked the amount of outstanding accounts. Dr. Faulkner replied that usually $100. had been allowed for these, but now it is probably not more than $50.

Records of the annual meeting of 1892 were read and approved.

List of officers for 1893-94 was read by the president. On motion of Mr. Cummings, seconded by Dr. Faulkner, the Secretary (pro tem.) cast one ballot, and the following list of persons was elected.

Officers for 1893-94.

President: Rev. E. H. Sherman.

Vice-Presidents: Mr. Charles F. Bowditch, Mr. Charles B. Cummings, Mrs. G. G. Greenough, Rev. William Bradley, Dr. Arthur P. Perry, Rev. James Yeamen.

Secretary: Miss Caroline E. Chickering.

1893 & 1894

Treasurer: Wm. E. W. Clark.
Assistant-Treasurer: Miss Mary Faulkner.
Executive Committee: Dr. George Faulkner, Chairman; Mrs. R. F. Wood, Mrs. H. D. Morse, Mrs. A. D. Weld, Rev. Charles F. Dole, D. J. C. Stedman.

Executive Committee Meeting,
Oct. 16, 1893.

The meeting was called to order by the president, Rev. C. H. Chearman.

The records of the meeting of October 2d were read, and after the addition of the name of the Swedish family mentioned, were approved.

In the report just printed, the report and the statistics are from May 1 to May, the financial report from October 1 to October, and the list of officers that of last year. In order to have all parts of the report cover the same months, Mr. Cummings suggested changing the time

of the annual meeting to April. A change in the Constitution can be made only at the annual meeting, or at a special meeting of the Society called by the Executive Committee. Mr. Cummings moved that the Executive Committee call a Special Meeting to change the Constitution so as to provide for the Annual meeting in April. After considerable discussion of methods of calling such a meeting, Mrs. Field suggested postponing the subject until 1894. In favor of the annual meeting in October, Mr. Bradley said that is the best time to circulate the report. Mr. Cummings withdrew his motion. On motion of Dr. Faulkner, seconded by Mrs. Wood, the auditor's report was accepted.

On motion of Mr. Cummings, seconded by several voices, Mr. Bowditch was reelected auditor.

Mrs. Wood, seconded by Dr. Faulkner, moved the reappointment of the Case Committee of last year.

Miss Morse said that Mrs. French had sent her resignation, as she is not strong enough

to do full work on the Case Committee. The other members of the Committee, wishing to keep Mrs. French, ask permission to appoint an assistant for her. On motion of Mrs. Hood, seconded by Mr. Cummings, the Committee was authorized to appoint any one whom they may choose as assistant to Mrs. French. The Case Committee were then reappointed as follows:

Miss Ellen C. Morse, Chairman; Miss Mary Faulkner, Secretary; Mrs. Austin B. French, Mrs. George J. Hopkins, Miss Eleanor L. Parker.

Miss Smith of the Associated Charities has sent to us a note from Mrs. Margaret Deland, 76 Mt. Vernon St., asking information about Benjamin Bainbridge, corner Union Ave. and Washington St., a man whom she has seen selling lead pencils in the streets and whom she is willing to aid if he is worthy. Mr. Chairman will try to learn something about him. A note to be sent to Mrs. Deland at once promising information if we obtain it.

There being no further business, the meeting adjourned.

The case of the Mc Ginnis family was brought up and on motion of Mr. Clark, it was voted, that this Society pay to send the family and also some furniture to Bangor if the Case Committee thought advisable and more money was needed than Mrs. Greenough and Miss Lowell were willing to give.

A paper from Miss Silpha D. Smith of the Associated Charities was read in regard to the prospect of many applicants for aid this winter on account of the hard times, and Mrs. Weld moved that the Chairman as president of the Society, sign the paper and forward it for publication as requested.

Miss Morse said that she was disappointed about getting some one as assistant to Mrs. French as member of the Case Committee, and proposed that two new members be added to that Committee.

On motion of Mrs. Wood seconded by Mrs. Weld, it was voted, that the Case Committee be authorized to add two new members to their

Committee. There is an unusual number of of applicants now for this time of the year.

Some of the subscribers names being omitted in the annual report, it was found that some of the subscriptions being paid directly to the treasurer, were entered on the treasurer's book but were not ... The books from which the list was made for publication in the annual report and this accounted for the mistake as this list was not copied

Mrs. Morse said that people ask the solicitors to let them see what they contributed the previous year and so regulate their subscriptions, and Miss Morse said she had heard of some persons who had refused to contribute to this society this year, but she did not think there was any doubt but what money would be furnished when needed as it had always been before.

Mrs. Field spoke of the loss of work for the poor people this winter in not having the cutting of ice at Jamaica Pond as formerly.

There being no further business, the meeting adjourned.

Case Com. to work

The case Com. reported 43 names — 16 new and 6 reapplications which were practically new. Of these 22 applicants — 1 has been referred to the Congregational Church — 2 to the Episcopal Church and — 2 to the Roman Catholic Church — 6 have been dropped for various reasons — 2 are in the care of visitors — and 6 still in the committee's care. Sales in October & November amounted to $89.00 which is $14.70 greater than last year.

Mrs. Robert T. Edes and Miss Mary H. Davis have joined the committee this month.

The treasurer said that the Society has over $200 (two hundred dollars) more in the treasury than at this time for several years, though the expenses are somewhat increased. This is explained by the prompt collection of subscriptions by several solicitors. Mrs. Frood read a note of cordial interest in our Society, sent with $5.00,

1893-1894

by a gentleman who was never asked to give until last year. Equal readiness to help our work is expressed by others.

Copies of the Statement signed last month are offered us by the Asso. Char., we have no use for them, the Statement in Condensed form having been printed in the J. P. News.

Miss Morse asked advice about Mrs. Celia Patten, whose sentence at Deer Island ends this month. Miss Morse has $150. (one hundred and fifty dollars) of Mrs. Patten's money. From the Prison Association Miss Morse has learned that Mrs. Patten cannot now be sent to any institution. She must be set at liberty, but when re-arrested may be sent to Sherborn for two years, if the matron at the Police Court knows her history beforehand. As she might be arrested and tried at one of the smaller Courts, sending notice to all probation officers was suggested. Mrs. Patten will, Mower has gone so that it seems useless to try to influence her. As she has money, no course is open but to let her spend it. Miss Morse hopes to prevent her serving another term at Deer Island.

There being no further business, the meeting adjourned.

Case Com. report

The Case Committee reported 55 names, 20 of them new - 14 of these new names have come within two weeks.

Early in the month this Committee replied to an inquiry from Mr. Robert Treat Paine (as member of the Committee appointed by the Mayor) in regard to the unemployed here, that about half our applications were caused by lack of work. Since then there have been several unusual instances of families superior to our usual applicants reduced to cold and hunger from lack of work. Associated Charities asked our advice about the care of cases of need in West Roxbury and Roslindale.

Dr. Faulkner said somebody who had read the report of this Society for the last year, spoke to him about the running expenses as compared with the amount spent for aiding the cases.

On motion of Dr. Faulkner seconded by Mr. Clark, it was voted, That the president have a brief

statement referring people to our Society, put in the Jamaica Plain News, and Miss Faulkner suggested that a card be put upon the door of the Room of the Society referring applicants to Mr. Clark's Store, Saturdays and when the Room is closed.

On motion of Rev. Mr. Dole seconded by Mr. Clark, the Case Committee were authorized to get new order blanks.

The case of the Parish family was brought up, The Hebrew Society has done all it can, and being a State case can be helped but little, has been a year and a half without State aid; The Hebrew Society spent $50. (fifty dollars) this last year for the family, the daughter 17 does what she can, the mother has a peddling license but only sells very little. Coal and groceries had been given by our Society, and a bag of flour by private aid. The rent is $8. It was discussed whether to get State aid now or not for them and it was not thought advisable to refer them to Dr. Gerry. Married children would probably do something to prevent them going to an institution. There being no further business the Meeting adjourned.

In regard to the King case, the man was a carriage painter and had failed. The house on which it was understood no money had been paid, was mortgaged for $1400. (fourteen hundred dollars) and at $42. (forty two dollars) interest would be due Feb. 20, the man was afraid he would be turned out. A loan of $42. (forty two dollars) was proposed but it was not deemed advisable to make a loan to the man, but to get work for him if possible. Wm. Quinlan had said he would try to give him work. The land was bought five years previous to having the house built, with money left to the wife, so they never had much when the man had work. The interest on mortgage together with water tax, etc., would be equivalent to about $100 (one hundred dollars) per year as rent. It was not deemed advisable to encourage the man being in business for himself as he had failed in that attempt. It was decided

to ask the man to take his papers & Mr. Clark who with Dr. Faulkner would look the papers over, and one or the other would go to see Curtis & Balch as to what could be done about deferring payment of interest on the mortgage in their charge.

The Case Committee reported 62 names, 14 of them new. Though these numbers are larger than ever before in March they show a marked decrease from those of the last two months.

It was thought advisable to ask the German Aid Society to help a family now in the care of Mrs. Forbes.

In regard to giving some of our orders for coal to Mr. Foss, it was said that Mr. Foss charges us more than Mr. Gunn and gives nothing to the Society.

The question came up as to giving $100. (one hundred dollars) as usual at this time to the Associated Charities, it was considered it was needed more than usual this winter, and on motion of Dr. Faulkner seconded by Mrs. Freld, it was voted, that $100. (one hundred dollars) be sent to the Associated Charities solely for registration.

The Society was fortunate to have had a

balance in the treasury at the beginning of the season and Mrs. Cummings said we were fortunate to have anything left now after such a winter, and this shows the importance of a balance for emergencies.

The Room of the Society usually closes in April but it was decided to keep the Room open until the next meeting, May 7, the first Monday in May.

Special Executive Com. Meeting.
May 21, 1894.

The Meeting was called to order by the president, Rev. S. H. Shearman.

The records were read and approved.

Miss Morse said that at the last Case Committee Meeting, Friday, May 18, it was voted to send some clothing to the Roxbury Charitable Society for sufferers by the recent fire, and that 101 (one hundred and one) articles were sent and a letter had been received

from the Roxbury Charitable Society say the articles sent were especially acceptable.

Miss Faulkner brought up the Butler case, the man gave up a place at 75 cts. per day, thinking he could do better, and that now he has nothing permanent. The Butlers are young people and it was thought that they ought to take care of themselves during the Summer. The man has not been accustomed to dividend.

Miss Faulkner read the Annual Report she had prepared on behalf of the Case Committee, and on motion of Mrs. Trood seconded by Mr. Clark it was accepted.

The case of the De Jonge family was brought up, it was decided that Mrs. Thayer who is to take charge of the case during the Summer might aid them to the amount of $2 (two dollars) per month from our Society if necessary, but not more, as our treasury is very nearly empty, there are some bills still out and we need something for cases that may come up during the Summer. The De Jonges are Episcopalians, go to Rev. Mr. Lotte's Church and aid has been given them

through Miss Mann, as well as private aid, and Mr. Shearman thought some aid might be rendered by Mr. Potts Church if necessary.

Miss Faulkner reported that Mr. Kung, a carriage painter who at the time of our February meeting was afraid of being turned out of his home as $42. (forty-two dollars) interest on mortgage of his place was due, had paid $25. (twenty-five dollars) of this amount and hoped today to pay $10. (ten dollars) more, leaving only $7. (seven dollars) unpaid. Mr. Bolster of Curtis & Bolster was seen at the time in regard to the matter and was willing to wait for the money.

At the last meeting Miss Morse reported that Mrs. Patten had been placed temporarily at the Dedham Home, but today she said that Mrs. Patten left the Dedham Home soon after and took a room at South Boston hoping to get work and thought if she had $15. (fifteen dollars) she could get along all Summer. $11. (eleven dollars) was stolen a few days after and now she had taken $19. nineteen dollars) more

of her money, which Miss Mouse of course gave her as it belonged to her, leaving $40. (forty dollars) for her burial; she was anxious for Miss Mouse to take $10. (ten dollars) for a present, but Miss Mouse told her all she wanted was for her to do well, and advised her to go to the Little Sisters' Home if they would take her there. Mrs. Patten said they did not want her at the Dedham Home that the matron told her it was not the place for her.

There being no further business, the meeting adjourned.

Annual Meeting
Oct. 22, 1894.

The Meeting was called to order by the president, Rev. G. H. Shearman.

The records of the Annual Meeting of 1893 were read and approved.

Dr. Faulkner presented the list of officers for 1894-95 the same as last year with one exception, and on motion of Mr. Cummings seconded by Mr. Clark the Secretary cast one ballot and the following list of persons was elected

Officers for 1894-95.

President: Rev. G. H. Shearman
Vice-Presidents: Mr. Charles F. Bowditch,
Mr. Charles B. Cummings, Rev. William Bradley,
Dr. Arthur P. Perry, Rev. James Seames,
Rev. Charles E. Morgan.
Secretary: Miss Caroline E. Chickering.
Treasurer: Mr. E. F. Clark.

Assistant Treasurer: Miss Mary Faulkner.
Executive Committee: Dr. George Faulkner, Chairman; Mrs. R. W. Wood, Mrs. H. D. Mouse, Mrs. A. D. Field, Rev. Charles F. Dole, Dr. J. C. Stedman.

The Annual report was printed and ready for distribution.

The $8.50 (eight dollars and fifty cents) mentioned in the Treasurer's report as being received for coal was money paid back for coal, and the loan of $10. (ten dollars) Miss Mouse said had not been paid. As to the balance of $149.04 there were outstanding bills not received which will wipe out pretty much all the balance.

Rev. C. F. Dole asked about the aid given by the police, mentioned in the report, and Miss Faulkner said she could not say how much aid was given but understood a day's pay was contributed, and we worked with them, that the Captain kept a list of doings at the Police Station and as far as we knew we thought they gave judiciously.

The question was asked how we could distribute reports more than we did now, Mrs. Clark suggested that reports be sent

to the different Societies we work with and Miss Faulkner said reports were sent and it was thought the police should have reports. Rev. Wm. Shearman asked Wm. Cummings what he thought about this winter's prospects as compared with last.

Mrs. Lowe thought some had money last year laid by and spent it and this winter they have not got it to fall back on. Rev. Wm. Dole asked the impression of our Society as to the Citizens Relief Society last winter being beneficial or not. Miss Moore said we had names sent us to look up but we could not judge about it, it was very occasional aid, Miss Parker said a week's work was quite an aid and Mrs. French spoke of a case where such aid was of use. Rev. Wm. Shearman spoke of a man who got temporary aid, a week's work or so for a man, but he wanted him to certify that the case he got work for was all right and he got work for the man in such cases. Miss Moore said some could not get it and Mrs. Carter said a case she sent could not get anything with the card given.

Miss Faulkner spoke of the extra work given by Dr. Gerry, wood sawing as special aid. Rev. Wm. Dole said it was a question whether the work being paid more than it was worth was beneficial and Miss Morse said it was a very difficult question.

The Meeting then adjourned.

Executive Committee Meeting.

Oct. 22, 1894.

The Meeting was called to order by the president, Rev. S. H. Shearman.

The records were read and approved.

On motion of Mr. Cummings seconded by Dr. Faulkner, Mr. Charles P. Bowditch was reelected Auditor.

On motion of Mr. Clark seconded by Mr. Cummings, the Case Committee was reelected. Mrs. French felt she must resign not from lack of interest but that she was unable to attend to the duties and others were doing her part of the work for her, but she would continue to be visitor.

Mr. Cummings suggested electing her and let the Case Committee fill the vacancy and and Dr. Faulkner thought she better be elected,

and on motion of Mr. Clark seconded by Mr. Cummings the following Case Committee was reappointed.

Miss Ellen C. Morse, Chairman; Miss Mary Faulkner, Secretary; Mrs. Austin B. Fletcher, Mrs. George L. Hopkins, Miss Eleanor S. Parker, Miss Mary H. Davis, Mrs. Robert T. Edes.

Rev. Mr. Dole asked about the work department as to benefits compared with expense. The hospitals supply materials for their articles and we pay for the work which is all right, of course we do not get back the cost but there are advantages to be derived from the department, women get other work from being found capable which we would not know about otherwise and work can be given when there is need of assistance whereas if the women only had the work from private individuals it might not be wanted at the time there was need for it.

In regard to distributing more reports Dr. Faulkner thought that Rev. Mr. Dole and the Case Committee could arrange that.

On motion of Dr. Faulkner seconded by

Mr. Clark, The printing of visitors report blanks was left to the case Committee. The case of the Roach family was brought up. Father Magennis said if sent to him he would feed them but it was thought the man ought to be pushed to work. Dr. Faulkner thought it was wrong to aid a case like this, harm was done last winter besides much good, Miss Morse gave up a case last winter for a similar reason, it was hard on the children but it is one of the inevitable things. Mrs. Carter spoke of the man not knowing of this Society, Dr. Faulkner said a Clergyman mentioned a case to him that had been better since he gave up aiding and Rev. Mr. Dole advised sending the case to the St. Vincent Society and said we were ready to do when they can do nothing; if the man is sent to Mr. Clark he will talk with him as Mr. Shearman said Miss Morse and Miss Faulkner thought it needed some man to look after the case. Mrs. French had a case similar, a man left his wife and four children, and it was hard to

know what to do. There being no further business, the meeting adjourned.

The Case Committee reported 24 names, 3 of them new. One of these new families remains in the committee's care, visitors have been appointed for the other two.

Mrs French has resigned, and Mrs. William S. Easler has become a member of this committee in her place.

The Case Committee having proposed a change in the printed papers for visitors' reports, a committee was appointed consisting of the case committee and Miss Chickering to decide what changes to make.

In regard to further distribution of annual reports, it was thought advisable for packages to be sent to the Clergymen to be distributed and also that some be sent to the Police Sta-

tion. As to soliciting for the Society, it seemed better to have the visitors of the Society for solicitors as they are more familiar with the work of the Society.

There being no further business, the meeting adjourned.

Case Com. Report

The Case Committee reported 43 names - 9 of them new. 4 of these new applicants live beyond our District. Only 2 are in the care of the Committee. The principal work of the month has been with families already known to us. Wm. Vogel has given a large supply of boots and rubbers, to the value of about $17. (seventeen dollars.) during the month.

The number of cases are about the same this year as last, but out of 43 names only about one fifth are new to us as one half were new cases last year. It was reported that

somebody who had previously been a large contributor to this Society would not give anything this year because it cost our Society $300. (three hundred dollars) to distribute $700. (seven hundred dollars) and the proportion was thought to be too great. While this is the amount nominally given, it should be remembered that a large amount is contributed privately which is the result of the working of the Society but which does not appear in our financial report although it is the result of confidence in the working of this Society.

It being hard to obtain a solicitor for one of the districts, it was discussed as to the propriety of our agent making the collection in that district, but it was not thought advisable to have solicitors paid by the Society.

There being no further business, the meeting adjourned.

Miss Morse said that Mr. Guild wanted to know about Mrs. Civardi. Dr. Faulkner said that she was reported to be better, Miss Parker had visited her at Roslindale at request and it was thought advisable that she should be visited again as it was through Mr. Guild that our Society obtained the income from the Sanders Fund for her which amounted to $100. (one hundred dollars) per year.

Mrs. Carter wanted to know what to do in the Kelleher case and it was thought best to make inquiries at City Hospital about the condition of the daughter who had recently been there, as according to the Mother's account it was not thought that she would be admitted at the Good Samaritan.

Miss Faulkner spoke of the Duggan case,

The man is a painter, The wife is sick and his mother 65 yrs. old, who came here about a year and a half ago is sick also and said she would like to return to England where she had two sons, but whether they would do anything for her or not we do not know. This case was brought up because more than usual assistance was needed for this family. There being no further business, the Meeting adjourned

A donation of shoes & overshoes has been received from Mr. Adolf C. Biewend, 146 Paul Gore St.

The treasurer said the balance in the treasury was smaller than it had been at this time of year for a number of years, more had been spent this year also than for a number of seasons at this time, with the exception of last year, we have spent considerable this year for coal and milk.

The Keefe case was brought up, the woman is in consumption and being so ill has been helped a good deal and it seems as if this must continue. Mr. Gately of the St. Vincent de Paul Soc. had been spoken to about the case but that Society does nothing for the family. Mrs. Keefe had a son die of consumption last year and a daughter is at home not able to live out. It was discussed whether it would be better for Mrs. Keefe to be at some home, as the Free Home for Consumptives of Boston, at Dorchester, which is a Catholic institution.

Miss Faulkner asked what to do about the Duggan case, the man, Henry Duggan had been to some of the ministers with a begging letter and had been successful

1894 & 1895

in obtaining some money. He had received aid for some from the Roxbury Charitable Society; he wants to work for himself, painting, says he had good wages in England, and the question came up about sending him back to England and also why he came to Jamaica Plain.

Case Com. report.

Mrs. Kemball had paid back $1.60 for coal which had been sent to her by our Society.

Mr. Clark will kindly keep some of the clothing of the Society at his store during the Summer as usual, for sale.

On motion of Mr. Cummings seconded by Mrs. Field, it was voted, that the Case Committee prepare the Annual report and that it be read at a Special Executive Committee Meeting, on Monday, May 20, at 3 o'clock P. M.

On motion of Mr. Cummings seconded by

Dr. Faulkner, it was voted, that the Secretary send a notice to the Jamaica Plain News as usual, that the Room of the Jamaica Plain Friendly Society being closed until October, application may be made at the store of Mr. C. F. Clark, White's block, Centre St., Jamaica Plain. This notice has been kindly inserted free of expense each year.

It was voted, That the same Committee as last year, Mrs. R. M. Wood, Mrs. A. D. Weld, Mrs. H. D. Morse and Miss Ellen C. Morse have charge of Soliciting, with power to fill vacancies.

It was left for the Special Meeting to decide what to do for the Summer, the treasury being nearly empty.

There being no further business the Meeting adjourned.

Special Executive Com. Meeting.
May 20, 1895.

The Meeting was called to order by the president, Rev. D. M. Pearson.

The records were read and approved.

Mrs. Carter read a brief of the Annual Report she had prepared on behalf of the Exec. Com-

mittee, which was accepted subject to modifications necessary to be made at the October meeting. It was suggested that we change back to our custom of printing in the annual report the list of officers and Case Committee for the coming season instead of the past season, which change had been made in order to have the report in print at the Annual Meeting.

Miss Parker's resignation on account of removal from Jamaica Plain was accepted and the Secretary was requested to communicate to Miss Parker the deep felt regret at the loss of the valuable services she had so cheerfully and faithfully rendered to the Society in very many ways.

On motion of Dr. Faulkner seconded by Mr. Cummings, Miss Blaikie was reelected Agent at $10. (ten dollars) per week while in service, and it was left to the Case Committee to arrange with her in regard to cutting of garments.

Mr. Clark said the balance in the Treasury was $75.09 (seventy five dollars and nine cents) and there were some

unpaid bills. In regard to soliciting Mr. Clark advocated a paid solicitor, in some cases soliciting has been finely done and the present method is the best, but he thought some of the districts poorly canvassed, there are a great many new people who know nothing of our Society and he felt Miss Angells was just the one to undertake if the Fraternal Council would allow her to undertake it.

On motion of Mr. Cummings seconded by Mr. Clark, it was voted, That the Soliciting Committee may employ a paid solicitor the coming year for any district they think best.

There being no further business, the Meeting adjourned.

Caroline E. Chickering,
Sec'y.

Monthly Meeting
of the Exec. Com. Oct. 7, 1895.

The Meeting met according to adjournment. The president, Rev. C. M. Sheaman, in the chair.

The records were read and approved.

The treasurer read the following report;

Mrs. Clark's report

Received from Contributions
since last report — $2.00
" from sales .50
$2.50

Amt. expended since last report $ 3.96
Total Amt. recd, including
balance from last year $1517.49
Total Amt. expended 1507.98
Balance on hand — $ 9.51

Mrs. Carter read the Annual report she had prepared on behalf of the Case Committee and which had been read at the Special Meeting, May 20, and accepted subject to later alterations, and it was voted, That the Case Committee have 700 (seven hundred) copies of the same printed by the Jamaica Plain News Co. and such other printing as may be necessary.

The Auditor being away, Miss Faulkner suggested that the report might be all set up except the Auditor's report including the treasurer's, and the list of officers for the coming winter.

On motion of Mr. Clark, the Annual Meeting was appointed for Oct. 21, at 3 o'clock P. M.

The preparation of the Annual ticket for

election of officers at that Meeting was left to Dr. Faulkner, the Secretary to notify as usual, and also send notice to the Jamaica Plain News as free item, notices for the Society having been kindly inserted free of expense at different times.

It was suggested at the last Meeting, Mar. 20, that Miss Ingalls would be just the person to employ as paid Solicitor if the Fraternal Council would allow her to undertake it, but the Fraternal Council did not approve as it might make matters confused.

On motion of Rev. Mr. Morgan seconded by Mr. Clark, it was voted, that cards be printed and with envelopes for contribution to the Society be sent to each house previous to Solicitors calling for contributions and on motion of Mrs. Weld, seconded by Dr. Faulkner, it was voted, that Rev. Mr. Morgan, the President and Treasurer be a committee of three to prepare such card.

A chest of drawers had been kindly sent to the Society by Rev. Mr. Bradley with a request to be notified if the same was not

desirable and he would hasten to have the case removed.

The Secy. was requested to thank Rev. Mr. Bradley for his kindness but to say that as the Society has no use for the same and occupies a room belonging to the City, from which everything has to be removed when the room is wanted for other purposes, it was decided to be best that he should remove the case at his earliest convenience.

Dr. Faulkner had received the resignation of Rev. Wm. Bradley as vice-president and associate visitor on account of removal from Jamaica Plain, and he kindly spoke of the long time that Rev. Mr. Bradley had been connected with the Society.

Our Society also loses at this time the valuable services of Mrs. Stebbins as visitor, on account of removal from Jamaica Plain, and also of Miss Anna J. Bradley on account of removal.

There being no further business, the meeting adjourned.

Annual Meeting
Oct. 21, 1895.

The Meeting was called to order by the president, Rev. S. H. Shearman.

The records of the Annual Meeting of 1894 were read and approved.

Dr. Faulkner presented the list of officers for 1895-96 the same as last year with two exceptions, the two new names being Rev. Ralph H. Hunt and Mr. Charles J. Bishop, and on motion of Mr. Cummings the Secretary cast one ballot and the following list of persons was elected.

Officers for 1895-96.

President: Rev. S. H. Shearman.

Vice Presidents: Mr. Charles P. Bowditch, Mr. Charles B. Cummings, Dr. Arthur T. Perry, Rev. Charles E. Morgan, Rev. Ralph H. Hunt, Mr. Charles J. Bishop.

Secretary: Miss Caroline E. Chickering.

Treasurer: Mr. E. F. Clark.

Assistant Treasurer: Miss Mary Faulkner.

Executive Committee: Dr. George Faulkner, Chairman; Mrs. R. F. Wood, Mrs. H. D. Haire, Mrs. A. S. Field, Rev. Charles F. Dole, Dr. J. C. Gleason.

Mrs. Carter read the Annual report the treasurer read the financial report for the year and also the Auditors report these would be in print in a few days ready for distribution. The treasurer said the balance was $9.51/ (nine dollars and fifty one cents) the collection was more but the sales were less than the year previous and although we had less cases during the year some of them needed a good deal of aid.

Questions were asked as to what the agent did, it was thought by some that our Society paid too much for salary of agent in comparison to other expenses. Dr. Faulkner said he did not sympathize with these criticisms. Mrs. Dickerman thought some explanation might be put in the paper. Mrs. Carter and Miss Faulkner gave some explanation of the duties and the necessity of having for agent an intelligent person to deal with the different kinds of people.

Rev. Wm. Morgan said there was no general idea that beggars were sent here. Mrs. Wood mentioned the card that was published and distributed by the Society some time ago, previous to Rev. Wm. Morgan's connection with

the Society, with the heading, "What to do with Beggars."

Most of the persons present signed a petition to the Legislature for the need of a State Children's Bureau to care for the wards of the State under the supervision of the State Board of Lunacy and Charity.

There being no further business, the Meeting adjourned on motion of Rev. Mr. Dole.

Executive Committee Meeting,
Oct. 21, 1895.

The Meeting was called to order by the president, Rev. S. H. Shearman.

The records were read and approved.

On motion of Mr. Cummings seconded by Rev. Mr. Dole, Mr. Charles P. Bowditch was reelected auditor.

On motion of Rev. Mr. Dole, the present executive committee was reelected, viz.: Miss Ellen G. Noble, Chairman; Miss Mary Faulkner, Secretary; Mrs. George J. Hopkins, Miss Mary H. Davis, Mrs. Robert T. Coles, Mrs. William S. Carter.

The ward lines of the City having been

changed, Miss Faulkner thought that Boylston St. from Centre St. to Washington St. would be a good boundary line for our society, it was suggested that Miss Faulkner be a delegate to confer with the Associated Charities in regard to fixing lines, and on motion of Mrs. Wood the subject was left to the Case Committee.

Miss Faulkner had been asked to write a report about our annual Meeting for the Jamaica Plain News.

Rev. Mr. Morgan read the card he had prepared on behalf of the Committee appointed at the last Meeting, to be distributed at each house previous to a Solicitor calling who would ask to see the people first. Dr. Faulkner moved that the card be adopted and Rev. Mr. Dole moved that the Committee be authorized to print such number as they think necessary and distribute them.

In regard to soliciting the question was asked what objection there was to employing Miss Ingalls as paid Solicitor and it was said that it was felt by the Fraternal Council that her influence might be

destroyed for her other work. Rev. Wm. Morgan thought Miss Ingalls would be the one to solicit. Dr. Faulkner suggested sending a committee to the Fraternal Council, and on motion of Dr. Faulkner seconded by Rev. Wm. Dole, it was voted, That the Soliciting Committee confer with the Fraternal Council in regard to Miss Ingalls as paid solicitor. A meeting was also appointed for Monday, Oct. 21, at 2-3-30 P.M., at the house of Mrs. Wood for the Soliciting Committee to confer with the Committee on the Card.

On motion of Mrs. Wood the case committee were authorized to give clothing to the Bayley family on Centre St., outside our limits, who had just come here from Washington and was in need of immediate aid.

There being no further business, the meeting adjourned.

Case Committee's report

The Case Committee reported 28 names, 5 of them new. An unusual number of beggars had been reported during the month. One of them, Mrs. Garrity, was already known

town and we have reported her to the police. Another calling himself James Lent of 24 Hall St. could not be found at that address. Of the other beggars we have heard only their stories with no clue which could be followed.

Mrs. Wood reported that complaints had again been made that the expense of our Society was too much, and also about our annual donation of $100. (one hundred dollars) to the Associated Charities for registration. It probably was not known by those making the latter complaint, that this amount was given at the time the Associated Charities was organized thinking an additional Society was not needed here, and our Society is considered a Quasi Conference managing its own affairs instead of being under the government of the Associated Charities which did not seem advisable for this locality.

Miss Faulkner read a letter from Mr. Bicknell in regard to two Harvard Divinity School students, Messrs Douglas and Fetherell, who wished to know more about the work of our Society; a letter had been sent to Mr. Bicknell inviting them to come to our Monday

meeting at the rooms of our Society any Monday or Thursday morning when a Member of the Case Committee would be there and give information about our work.

The Leonard Case was brought up and on motion of Mrs. Field, it was voted to pay the expense of proving it the Case Com. thought best.

It was reported that Father Magennis would give nothing to our Society and had said they would take care of their own poor and it was said that the Leonard Case had been aided lately by the St. Vincent de Paul Society.

Miss Morse asked about sewing for the New England Hospital, the material being furnished, and it was left to the Case Com.

It was also left to the Case Com. to purchase clothing of boots, shoes and rubbers.

There being no further business, the meeting adjourned.

Miss Faulkner had received a letter from Natalie S. Whitwell in which questions were asked in regard to training new visitors. Miss Faulkner was requested to answer the letter and say it would be better to confer with the Case Committee some morning at the Room of our Society.

Mrs. Carter said that the bill of Mr. Bronsson for delivering cards at houses was $10. (ten dollars) for five days services, and as our Society had voted to pay $6. (six dollars) for three days

in regard to the matter and had corresponded about it, That the region in the direction of Canterbury was growing and it seemed advisable for our northern boundary to be changed and as there was to be a meeting of the Associated Charities on Wednesday next, on motion of Dr Faulkner seconded by Mrs. A. D. Field, it was voted, that the line on the north side of our district for the future will be Richmond St. to Centre St., Centre St. to Boylston St., through Boylston St. and Chauncy Place to Franklin Park, the Secretary to give a copy of records to Secretary of the Case Com. & send with a letter to that meeting.

Case com. report

The Secretary had received a letter from the Associated Charities saying that at a meeting of the Board of Directors, March 13, 1896, it was voted to accept the district lying between Boylston and Centre Sts. which the work of the Jamaica Plain Friendly Society no longer covers and that it be added to the district already visited by Dorcas Conference. This is the boundary line voted by our Society at its Executive Committee Meeting, February 3, 1896.

Miss Morse reported that the ten chaldrons of coke given to this Society by the Jamaica Plain Gas Co. had all been drawn and in fact more than that quantity had been given to us.

An account of the work of the Home Savings Society at Roxbury was read at the visitors' meeting; this account had been previously read at a meeting of the case committee at which Miss Alice Morse had explained the method of collecting, etc, she having made collections from about forty families, weekly.

On motion of Miss Ellen C. Morse seconded by Mrs. Field, it was voted to start a branch of the Home Savings Society of which Mr. Stone is president.

On motion of Mrs. Field seconded by Mrs. Carter, it was voted, that Mr. C. B. Cummings be president and on motion of Miss Morse seconded by Mrs. Morse, it was voted, that Miss C. E. Ingalls be treasurer and collector with authority to get cards and books not to exceed the amount of $5. (five dollars.)

1895 & 1896

It was thought that we could judge better in the Fall what to do after the Summer experience of Miss Ingalls.

In regard to sending $100. (one hundred dollars) to the Associated Charities as voted at this time, on motion of Miss Moore seconded by Mrs. Hopkins, it was voted, that $100. (one hundred dollars) be sent to the Associated Charities solely for registration.

There being no further business, the meeting adjourned.

Monthly Meeting
of the Exec. Com. May 4, 1896.

Rev. Mr. Shearman called the meeting to order before the visitors had left, that all might be present, and said he wished to speak of one who was in the minds of us all, a treasure had been given up, he did not wish to give a eulogy but would read what had been drawn up on behalf of this society by one associated with her in this work.

"The Executive Committee and the Visitors of the Friendly Society wish to put upon

record an expression of their keen sorrow for the death of Miss Mary Faulkner, who has been connected with the work of the Society for fifteen years. She came into the work first as a visitor, and for the last few years she has been a most valued and important member of the Case Committee, serving as its Secretary from the organization of the Committee, and giving to it the best strength of her life. Her rare ability for the work, her constant interest in the poor and unfortunate, and her consecration to all that tended towards the uplifting of humanity, cannot be overestimated, and have undoubtedly contributed very largely to the success of our Society in the past. Her helpful influence cannot fail to be felt in the future, and the memory of her noble and faithful life will be ever treasured by all who have had the privilege of her wise counsel and her companionship in the work."

It was unanimously voted, all standing, including those present at the Visitors' meeting also, that this minute, signed by

the president and Secretary, and also the Chairman of the Case Committee, be sent to Dr. & Mrs. Faulkner with our deep sympathy for the loss of so lovely a character.

In reply to the president the Secretary said that Miss Mary Faulkner was appointed Visitor, Oct. 4, 1893, Dr. Faulkner making the remark at that time, that if she was appointed, he would guarantee that the district would be well visited. Nov. 7, 1894, she was appointed Assistant Treasurer, and also Secretary of the Case Committee Joined at that time. 1896-97

Executive Committee: Dr. George Faulkner, Chairman; Mrs. R. W. Wood, Mrs. H. D. Rose, Mrs. A. D. Field, Rev. Charles F. Dole, Dr. J. C. Stedman.

The Treasurer read the financial report for the year which had not been audited yet. This meeting being one week earlier than usual the Treasurer had been unable to see the auditor.

The President read the Annual Report which was accepted.

Rev. Wm. Morgan asked about the balance and inquired of Miss Ingalls as to her experience about men being employed. The Treasurer said the subscriptions for several years had been about the same between twelve and thirteen hundred dollars, he was very glad to report a balance this year, last year we had practically no balance, only $9.51 and the hard Winter of the year previous we were fortunate to have a balance which we were obliged to use, which shows the importance of such a balance for emergencies, and the Treasurer said that we also needed a balance at the beginning of

the season as subscriptions do not come in for some time after the Winter's work begins. Last Winter we spent less for wood, coal and provisions, and we gave out very little sewing & except work that was done for hospitals where the material are furnished for work done for them, which explained the small amount sent for materials. Mrs. Dickerman thought some explanation about this might be in the report, and Mr. Winslow moved to embody these points in the annual report.

In regard to printing the list of subscribers this year it was very difficult to get the full list, this work had been done very efficiently by Miss Faulkner in the Summer and unless accurate it had better be omitted. Mrs. Field moved that the list be omitted this year, but withdrew her motion, Mr. Black suggesting that we do not move hastily in the matter; the Secretary said the list could be made if the books were all got together now. Rev. Mr. Morgan said if only a few names were omitted an appea-

mission could be instituted, which Mrs. Davis approved and Mrs. Hedeman and Mrs. Dickerman thought persons would be induced to give by seeing the names of other donors on the list. On motion of Mrs. Dickerman, seconded by Mrs. Thorne this was left to the Executive Committee and it was suggested that a slip of paper be pasted in each of the solicitors books, to get the names and addresses of subscribers in full as they were very important in making the annual report.

Rev. Wm. Morgan asked Miss Ingalls about the success of the Home Saving Society, of which she started a branch in the Home. Miss Ingalls said during the summer there was an increase but not quite as much in September that there was not as much interest as she had hoped, but she thought it might grow more rapidly in a Catholic neighborhood than among the families we had visited. She is treasurer and the only collector as yet.

Rev. Wm. Morgan suggested whether it would be well for our Society to be connected with a Society for loaning money to poor people when

necessary. Miss Morse said she had made several small loans to persons in need.
There being no further business, the meeting adjourned.

Another went to several persons and money was loaned. Another having obtained a pair of boots sent a finely written letter in appreciation of the boots and asking for an overcoat, saying, that he had just moved to town, wished to make a good appearance and would be willing to pay something for it later. The system is different to what it used to be, the City sends supplies from its own Store room instead of orders being given at stores as formerly, the quantity had been cut down. The Secretary said that formerly by consulting the agent of the Overseers some choice could be had but did not know how it is now.

Mr. Clarke's report

Case Com.
Visitors.

The Case committee reported 31 names, 7 are new, 5 of the old cases 17 are in Care of Case Committee 4 in Visitors' Care and 3 merely mentioned.

At the last meeting of our Society Mr. Cummings and Mr. Winslow were appointed a Committee to confer with the Associated Charities in regard to our northern boundary line about which Rev. Mr. Dole had received a letter from Miss Gilpha D. Smith, General Secretary of the Associated Charities.

Mr. Cummings reported that there had been considerable correspondence about the subject, that the Roxbury Charitable Society said that their Roxbury work set off from Roxbury in 1851 and the income derived from the several estates bequeathed not earlier than 1862 made it quite impossible for that Society to give aid beyond the old Roxbury limit.

On motion of Dr. Faulkner seconded by Mr. Clark the report of the committee was adopted, and it was voted. That from and after this date the northern boundary of our District shall be as follows: beginning at the junction of

Jamaica Way and Perkins St., Through a part Perkins St. to Centre St., Meridian St., Chestnut Ave., Centre of Wyman St., crossing Lamartine St. under the railroad bridge, Through the Centre of Atherton St. crossing Washington St. and Through the Centre of Beaver St. or Columbus Avenue of Union to Franklin Park or Walnut Avenue.

Voted. That the Secretary send a copy of the above vote to the Roxbury Charitable Society and to the Associated Charities of Boston.

Mr. Cummings spoke of inquiries about expense of a map of Roxbury for our Room, and it was left to Mr. Cummings to see what could be obtained.

Our Assistant Treasurer was going abroad and on motion of Dr. Hunt duly seconded by Mrs. Wood, Miss Ellen C. White was appointed assistant Treasurer pro tem.

Case Com. report

The Case Committee reported 28 cases, of which 6 were new. Of the old cases 22 are in care of Case Committee 7 in care of Visitor and 3 were merely mentioned.

The Secretary having sent a copy of the vote at our last meeting in regard to our northern boundary line, to the Associated Charities and to the Roxbury Charitable Society, had received a letter from Miss Lilpha D. Smith, Gen. Sec. of The Associated Charities, saying, That she was very glad to have a copy of our Society's vote and to know that the section in question will no longer be uncovered by a general relief Society. She understood that we take both sides of Perkins St., of Sheridan St., and Chestnut Avenue and only one side of the other streets in question.

Mr. Cummings and Mr. Winslow, the Committee on that question, said it meant both sides of Perkins St. & Sheridan St. and Chestnut Ave.

The Cannon case was mentioned, whether the man was out or in prison, Dr. Faulkner said he had been out but now was in, and the visitor's report stated that he was sentenced for one year.

Mr. Cummings spoke of the map which had been sent for our inspection, the expense of which would be $5. (five dollars) if we kept it; it was larger than we needed, covered more territory, but we could not get a smaller one with streets in detail as we wished.

Dr. Faulkner moved and Mr. Winslow seconded the motion that the map be purchased.

On motion of Mr. Winslow seconded by Mr. Cummings, it was voted, that $100. (one hundred dollars) be sent to the Associated Charities, solely for registration.

Miss Hooke said a name had been sent by Mr. Clark through Rev. Mr. Jones for a visitor in the district now taken care by the change of our northern boundary line.

1897-98

Mrs. Wood said we wanted Solicitors for that district.

Miss Morse said visitors towards Rockindale would help us very much and that some names had been suggested by a lady in answer to Miss Morse's letter.

On motion of Dr. Fruthener, the meeting adjourned.

Case Com. Miss Clark's report.

The Case Committee reported 31 names, of which 3 are new. Of the old cases 18 are in care of Case Committee, 7 in visitors' care. 3 were merely mentioned.

The treasurer said we had raised less money this year than last but had spent more. Dr. Faulkner said our balance would be reduced when all bills were paid as there were always some to be presented and we must make allowance for the summer work also which is uncertain,

he did not think an estimate of $200. (two hundred dollars) any too much to allow.

Miss Morse said that Miss Blaikie, our agent, resigns as she felt she wanted to go to work for the year, and that Miss Wheelwright resigns as member of Case Committee but will continue as visitor and is willing to take charge of Coffins & Shrouds for the Cards.

Dr. Hunkins suggested leaving until later about selecting an agent.

Miss Morse proposed that a letter of appreciation be sent to Miss Blaikie, Dr. Hunkins seconded and Miss Whitney, and on motion of Mr. Cummings seconded by Mrs. Frost, it was voted, that a letter signed by the Secretary and Miss Morse be sent to Miss Blaikie expressing the appreciation of her services by this Committee.

In regard to visitors and Investigators for the District recently taken back by our Society, Mr. Cummings thought that Rev. Wm. Scott might suggest persons. Mr. Winston said that it was difficult to get the right

persons, that Rev. Mr. Abbott gave no assurance when asked but that Rev. Mr. Jones did and he sent a name.

A notice had been sent to our society from the Associated Charities in regard to the publication of a fourth edition of the "Directory of the Charitable and Beneficent organizations of Boston," the cost of the last edition was $1.00. (One hundred dollars per month.) This notice also spoke of "The Charities Review" at $2. (two dollars) per year, of which notice had been sent to our society.

On motion of Dr. Faulkner seconded by Mr. Clark, it was voted, that the Secretary be authorized to put in the Directory a book for our society and that our society subscribe for one copy of the Directory, (with leaves for interleaving, the cost of which will be $1.25 if published,) and also subscribe for one copy of the Charities Review for one year.

On motion of Dr. Faulkner seconded by Mr. Clark, it was voted, that the Case Committee prepare the annual report

and that this report be read at a special Executive Committee meeting, on Monday, May 16, at 3 o'clock P. M.

As the Room will be closed until October as usual, Mr. Clark requested names sent to him of visitors who will be at home and the Secretary was requested to send a notice to the Jamaica Plain News as usual, that the Room of the Jamaica Plain Friendly Society being closed until October, application may be made at the store of the C. F. Clark Co., Whites block, 674 Centre St., Jamaica Plain. This notice had been kindly inserted free of expense each year.

Mr. Faulkner said we ought to raise $2000. (two thousand dollars) per year, that we needed different methods for raising money, that he would like to have a financial Committee with Mr. Cunningham at the head, and on motion of Mr. Hartshorn seconded by Mrs. Coles, it was voted, that Mr. Cunningham and Mr. Clark be added to the Soliciting Committee of last year for the financial committee. Special Executive Committee Meeting
May 16, 1878.

The Meeting was called to order by the president, Rev. G. M. Sherman.

The records were read and approved.

Miss Noble read the annual report which had been prepared by the case committee and it was accepted subject to modifications to be made in the Fall.

Mrs. Clark gave a comparison of balances for several years and also amount received.

It was said that liquor carried to houses is one of the worst things done, that beer-cans go to houses for fictitious names and much harm is done to women who would not go to saloons, but afterwards they would. Mrs. Wood spoke of a case and it was suggested by Rev. Mr. Dole and Mr. Winslow whether it would be well to call attention to this fact in our Annual Report.

On motion of Mr. Faulkner seconded by Mrs. Trood it was left to the Case Committee in regard to embodying the discussion in our report.

Miss Morse said that Carriage bills in our Report were for women taken to hospital, etc.

Miss Morse mentioned a case of St. Vincent de Paul Soc. in regard to placing Catholic children in a home. A woman on Chestnut Ave. said application was made at the Gwynne Home, word came that there was sickness at Gwynne Home, then a priest was seen in regard to the matter and said that the children could be put in the Harrison Ave. Home and gave instructed that the matter should be attended to immediately. After waiting forty eight hours and nothing being done, word having been received that the children could be taken at the Gwynne Home they were placed there. This was not done by our Society.

Mrs. Cobb said it would [illegible]

Executive Committee meeting,
October 17, 1894.

The meeting was called to order by Mr. Charles S. Cummings.

The records were read and approved.

It was voted, that the Case Committee

Committee appointed to consider the
best method for the collection
of the Society, beg leave to report
an urgent necessity for an increase
of funding to at least two thousand dollars.
Various methods have come in the
course discussed, and on the whole it
seems wise to the Committee to suggest to
you from our present method of personal appeal
to citizens, who are to a large extent known to
the visiting committee, all question
regard to the work and its needs.

have 700 (seven hundred) copies of the annual report printed by the Jamaica Plain News Co, and to ask of this printing as may be necessary.

It was necessary to elect the members of this meeting as usual, Wm. Charles B. Cummings having been selected at the annual meeting just held.

Miss Cutler having resigned as secretary of Case Committee and Miss Maria L. Pickering also having resigned as member of Case Committee, on motion of Rev. Wm. Cole seconded by Wm. Black, the following Case Committee was elected, viz.;

Miss Ellen C. Morse, Chairman; Miss Cornelia P. Bliss, Secretary; Mrs. George J. Hopkins, Miss Mary C. Davis, Mrs. Edith F. Eales, Mrs. Charles H. Cummings, Miss Ellen C. Means.

Miss Blaikie had prepared the list of subscribers to be printed in the annual report.

Wm. Cummings read the report on behalf of the financial committee which was accepted.

Miss Moore said the annual report is distributed as soon as possible that solicitors may begin collecting by the first of November. That she would be glad of names for solicitors, especially for the district again taken back between Bowdoin St. and old Roxbury time.

Mr. Dole said if it was understood that more money was needed he thought more would be given by individuals.

Miss Matse said we wanted more people interested who would give small amounts, and Mrs. Winslow thought the need should be stated strongly.

Rev. Mr. Dole said the ministers would give notice in their churches at the time of soliciting if the Case Committee would send one to them.

Mrs Cummings thought maps of certain precincts might aid individuals in their work and it was thought advisable for the financial committee to meet in the Room some morning next week.

Miss Moore said that Miss Blaikie resigned as agent last May, but we

1878-79

waited until later about supplying her place, and as she could now continue for the present, on motion of Dr. Frankhauser, it was voted, that Miss Bunsie be appointed agent on the same terms as last year, $10. (ten dollars) per week while in service.

There being no further business, the meeting adjourned.

finding different streets.

In regard to soliciting funds for the year the districts had been changed, some had been made smaller and with the territory taken back this year from our supervision, the work was increased.

Mr. Cummings suggested that visitors be obtained from three churches in that neighborhood and that these visitors might suggest solicitors, if we can as the locality and the people to one give anything we cannot help it we shall have done our duty.

Miss Morse said it was also difficult to obtain solicitors in the direction of Forest Hills, she had written a number of notes and had done much work to obtain solicitors but had not been successful in that region. Although Mrs. Wood and Miss Morse had been successful in obtaining a number of solicitors, more were wanted.

It had been suggested that our society have the use of the room on the first floor which is under the one we now have; it would save us much trouble of putting up fixings every time the room is wanted

as the other room is not used at all. It was decided that it was advisable to make the change.

Miss Morse spoke of the ventilation of the Room our Society has the use of. Mr. Winslow said he was willing to do what he was authorized to do to improve the condition and it was suggested that if the glass window or transom over the door was made movable and a board put in one of the windows of the room this would improve ventilation.

Case Com. report.

The Secretary had sent a letter to the

General Secretary at Philadelphia to discontinue The Philadelphia Monthly Register which had been taken for so many years by members of this Society.

Miss Morse spoke of the case of Miss Jackson, that she had improved, was able to do some work, cannot sew probably on account of her hand, it is not paralysis but came from some shock she had, the case came up in the Summer. The woman is boarded at $3.00 (three dollars) per week, has to be helped some and sick some in return and Miss Morse wished to know whether the Exec. Com approved of the Case Committee paying board a little longer.

On motion of Mr. Clark it was still left to the Case Com. to do what it thought best.

It was mentioned that several persons has been asking aid at houses and were not found at the addresses given.

It was mentioned that Mr Cushman would like a boy to deliver papers on Rowdiltch Hill, that he would pay $2. (two dollars) per week. There being no further business, the meeting adjourned. Caroline E. Chickering, Sec'y.

Miss Mouse said that Miss Jackson had been at a place at Hyde Park for two weeks at low wages and the Case Committee were pleased that it seemed so satisfactory. Ann Society paid board for seven weeks for this woman who had no one to do for her and seemed so anxious to do for herself. The case seems to have been a very satisfactory one.

The Eberhard case was mentioned, the woman ought to go to work somewhere, we cannot tell what the results of our efforts will be.

The Case Committee reported 44 cases,

25 of the old cases in care of Case Committee and 8 in visitors' Case, 4 new cases in care of Case Committee and 7 names merely mentioned.

As requested at the last meeting the Secretary again wrote not to have any more copies of the Philadelphia Monthly Register sent and enclosed postal card requesting an answer if this letter was received. The postal card was returned saying that copies for Dec. 1899 and Jan. 1900 were sent as wrappers had been directed before word was received to discontinue the same, but that no more copies would be sent.

The price of garments sold at [illegible] Room was brought up, it seemed to be understood that garments were sold for less than cost of materials. Mr. Black thought we should charge enough to cover retail price of material and a little more.

We cannot expect to get back enough to cover cost of materials and work on all articles, that may be done on some articles but not on all, some articles are made much better than others. When articles are made for Institutions the material is furnished and our Society pays for the work. Some women take them

pay in garments made here, and other garments are given away in some instances. The Committee try to arrange the prices as well as they can and try not to have an accumulation of garments made at the Room as there was sometime ago. The last few years there has been more sale as a good many articles are bought here for the Needle Work Guild, persons thinking they are aiding this Society by doing so.

Mrs. Clark's report.

Miss Mosse said the Overseers would like the use of the Room we have the use of and had sent a letter to know if we had any objection to the Agent having a desk there and occupying the Room at times not interfering with our use of the same. On motion of Dr. Faulkner seconded by Mr. Clark, Miss Mosse was requested to write that we were willing the desk should be in the Room and to occupy the Room jointly, stating that we did not use it afternoons nor Saturdays.

Mention was made of the invalid chair for out of doors use that we had at our Room.

Miss Mosse spoke of the need for a Day Nursery which had recently come up again. Miss Ingalls made inquiries at the schools some time since and found a number of children were kept at home to look after younger children. Mrs. Shaw's Day Nursery was given up here as the cases needing it were so scattered that it was not deemed advisable to continue it. It has seemed that the few cases in this locality could be provided for individually, but we hear of a number of cases where a Day Nursery

would be of much use.
The balance in the treasury being so small it was thought best not to send $100. (one hundred dollars) to the Associated Charities as usual at this time but to defer action in regard to the same until next month.

Case Com. report:

The Case Committee reported 29 names, old cases, 19 of these cases in care of Case Com., 5 in visitors' care and 5 merely mentioned.

The Secretary had received the bill for

1899-1900

"The Charities Review" for the year commencing with the June copy 1900, and on motion of Rev. Mr. Dole seconded by Mr. Clark, it was voted, not to renew the subscription, and the Secretary was requested to write a letter to New York to have no more copies sent.

Miss Mosse spoke of a case that Miss Cummings had charge of and had expended $5. (five dollars) for, and put the furniture in storage as the woman felt she would want it. The woman is very ill at The Charming Home and the boy is at The Children's Mission. The woman has about $10. (ten dollars) which it is thought might pay for storage of furniture, and on motion of Miss Mosse seconded by Mr. Clark, it was voted, that $5. (five dollars) be paid to Miss Cummings.

Miss Mosse spoke of a family that had moved into our district, the children attend the Boylston Congregational Sunday School, Rotbury friends pay $5. (five dollars) towards rent besides giving. The Dad, man is now in California and hopes to be able to work again, our Society is asked to aid this family with groceries, woman earns $14. (fourteen dollars)

per month for laundry work at The Crawford House where her husband was porter. The case was left to Miss Mouse who was to see Miss Lee in regard to the woman being paid only $14. (fourteen dollars) per month.

Our treasury is very low, we have had less money than usual and we need more instead of less.

The amount of sewing has been about the same this year, but a good many new cases have needed help.

In regard to the St. Vincent de Paul Society taking charge of cases, Rev. Mr. Dole suggested that we inform them that we will do nothing for certain cases unless they say they are unable to attend to them, as they say they will take care of them. If they do too little, do we do too much? Our methods are different.

In regard to sending $100. (one hundred dollars) to the Associated Charities, as usual, action upon which was deferred from the last meeting, on motion of Rev. Mr. Dole seconded by Mrs. Weld, it was voted, That $30. (thirty dollars) be sent to The Associated Charities, solely for registration,

and the Secretary was requested to write a few lines explaining that we are very near the danger line ourselves in regard to the condition of our treasury that this is all we feel justified in sending.

On motion of Mr. Clark seconded by Dr. Faulkner, it was voted, That the Case Committee prepare the Annual Report.

On motion of Dr. Faulkner seconded by Mr. Clark, it was voted, That Miss Emma M. Smith be reelected Agent for the coming year.

As the Room will now be closed as usual until October the Case Committee will let Mr. Clark know what visitors will be at home, as he kindly has cases referred to him during the Summer.

There being no further business, the meeting adjourned.

The records were read and approved.

The treasurer read the following report;

Expended " " " $54.88
Total received including balance from last year — 1383.21
Total expended — 1216.56
Balance on hand $166.65

The treasurer spoke of the gracious acknowledgment received from the Associated Charities for the annual donation sent by our Society although we had felt obliged to send a less sum than in previous years.

Miss Morse read the annual report prepared on behalf of the Case committee which was accepted and it was thought best to omit the number of visits made as the small number reported did not seem to do justice to the time spent by the visitors or the work done and might be misleading if printed with the report.

1900

On motion of Dr. Faulkner seconded by Mrs. Field the Annual Meeting was appointed for Monday, Oct. 22, at 3 o'clock P. M., the Secretary to notify as usual.

On motion of Rev. Mr. Dole seconded by Mr. Clark, it was voted, That Mr. Winslow prepare the Annual ticket.

I certify that I have examined the accounts of E. W. Chas. B. Cummings
Auditor.

Boston, Oct. 15, 1900.

Officers for 1900–01.

President: Rev. G. H. Sheasman.

Vice-Presidents: Mr. Charles P. Bowditch, Mr. Charles B. Cummings, Dr. Arthur P. Perry, Rev. Charles A. Morgan, Mr. W. Henry Winslow, Rev. Howard B. Grose.

Secretary: Miss Caroline E. Chickering.

Treasurer: Mr. E. W. Clark.

Assistant Treasurer: Mrs. Robert T. Eddes.

Executive Committee: Dr. George Faulkner, (Chairman) Mrs. R. W. Wood, Mrs. H. D. Mouse, Mrs. A. D. Weld, Rev. Charles F. Dole, Dr. J. C. Stedman.

Auditor: Mr. Charles B. Cummings.

Mr. Cummings brought up the subject of incorporation, asked those in charge what gain or loss the Society would have by it.

Mr. Winslow said there was strong reason to believe that we were to have a donation from some estate and in such case to save 5 per ct. of the amount we must be incorporated. The fee of incorporation is $5. (five dollars.)

Mr. Cummings said the character of the people here is changing, many of the old contributors have died and if we could secure a sum of money to help us out he would favor

it. Of course we would have to give reports or returns to the State each year and we would be more independent without incorporation.

Mr. Winslow said a request was made for ten thousand dollars and the question had been asked whether we were incorporated, we have no assurance of anything, but a supposition.

Mr. Cummings doubted if we had anything without we were incorporated.

Mr. Winslow said he did not know, but we would have to pay 5 per ct. of the amount if we did receive anything unless we were incorporated; nothing is to be given except to Charitable institutions, many have sent applications.

On motion of Mr. Cummings seconded by Mr. Clark, it was voted, that the Executive Committee be given full powers to proceed in the matter of incorporation under the laws of the Commonwealth.

At the last Executive Committee meeting of the Society preliminary movements had been made in reference to the matter that it might be in order to complete arrangements

at this meeting to have the same presented at the State House, but Mr. Cumming thought the authority to move in the matter should be given at the Annual Meeting of the Society which having now been given the Executive Committee could proceed.

There being no further business, the meeting adjourned to be immediately followed by an Executive Committee meeting as usual.
